Color Producer, Calf Raiser, and Clockwork Consistency

This cow outproduces herself every time — delivering calves with huge bodies, impressive horn, and eye-catching color. She's known for throwing that golden yellow glow, with over half her calves carrying that standout shade. Whether you're building a program or chasing color, she's

Total Horn: 78.0000 on 09/28/2024
TTT: 67.3750 on 09/28/2024
Composite: 143.5000 on 10/15/2022
