50 Amp is on fire! Currently boasting 7 offspring in the top 60 placings, including 4 in the top 25—no other sire can claim that kind of dominance! His calves are knocking it out of the park and turning heads across the industry.

Bred by none other than Jimmy Jones—TLBAA Hall of Fame and Lifetime Breeder—50 Amp is a genetic game-changer.

Heads-up: Once his semen sells out, that's it. No more.
