RYANT CATTLE COMPANY

VICTORY POINT

Date of Birth: 04/16/2016 **Registration 1:** 273502

Owner: Kevin and Jodi Bryant

Courtesy of Bryant Cattle Company

I Horn for Days. Legacy in the Making. This super nice female is the definition of elite: 111.5" Total Horn and 96"+ Tip-to-Tip—a never-ending horn set that turns heads and sets records. She's not just a looker—she's a producer. Her calves are winning in the futurity ring, and with genetics like hers, they might just dominate the horn measuring competitions too.
